simply deposit™

Your Remote Deposit Solution

Earlier this year Cables & Connectors began using the Simply Deposit™ Remote Deposit Capture product from RDM Payment Solutions. Simply Deposit allows Cables & Connectors to electronically deposit checks from their retail location instead of needing to go the bank and provides user friendly reporting capabilities.

" Simply Deposit gives me the freedom to make deposits when it is convenient for me. I'm no longer at the mercy of the banking hours. Reconciling accounts on a daily basis using Simply Deposit's easy to use reporting saves me time and improves accounting accuracy. Simply Deposit also enables me to separate and classify deposits to match my accounting system, reconciling has never been this easy. "

About Cables & Connectors, Inc.

Founded in 1995 by partners Tim Hatcher and Armando Santos, Cables & Connectors, Inc. operates an electronics super store for cables, connectors and replacement electronic parts. Cables & Connectors can provide the necessary connectivity and networking materials and expertise required for everything from computers to flat screen televisions. The company stocks over 12,000 individual items from over 50 different manufacturers and has over 400 corporate accounts as well as local governments and municipalities. Cables & Connectors is located in Newington Connecticut just south of Hartford.

Simply Deposit™, specifically developed for small business, is easy to use and requires little to no training. It provides faster availability of funds for the depositor and saves time and money as you no longer need to travel to the bank to make your check deposits. For more information on Simply Deposit go to www.SimplyDeposit.com.
